

ZIMBABWE AFRICAN PEOPLE'S UNION (ZAPU)

4 May 2017

Dear ZAPU Europe

This letter serves to inform you that the Crisis Support Committee has started on a fundraising initiative to raise funds for ZAPU crisis funds. We have adopted a project Club 20, which allows only the ZAPU members to participate. £20.00 are paid to the ZAPU account by each individual participant and they are allocated with a number. On the agreed date a draw is held and 3 numbers are drawn just like in Lotto. The 1st number being the first winner gets 25% of the total amount contributed by participants, 2nd price gets 15% of the total amount and lastly the 3rd price gets 10% of the total price. The remaining balance from the draw all goes to the ZAPU Crisis funds.

We have started with the first round of Club 20 as the Crisis support committee and now have a total of 8 participants that have all fully paid their contributions. We have scheduled a live draw that will be conducted via Facebook live on Saturday the 6th May 2017. Our aim is to have at least 20 participants per each round.

We would like to invite the PEC and ZAPU Europe Province members to join us and make this initiative a success. Help us to spread the word and recruit more people.

We are looking forward to working together as one,

Thank you all,

Christopher Maphosa
